

THE MAYBOURNE BAR

SYMPHONY

Introduction

Sip back and relax, as The Maybourne Bar takes on a rhythm of its own. Symphony shakes, stirs and serves an expertly composed cocktail collection that blends two art forms: musicality and mixology.

An overture in four movements, here Melody celebrates the spirit(s). Harmony provides the balance, carrying echoes of juices, sugars, herbs and spices. Counterpoint is dedicated to bitters – accenting and accentuating to bring new depths to complex flavors. Finally, Embellishments let loose the creative flair of our mixologists, with playful cocktails designed to strike a new chord.

As each element comes together to create a new sensory experience, we invite you to take a seat and embark on a journey of artistic discovery.

Cheers ——— C.A. & The Maybourne Bar team

MELODY > *Base*

Base meets bass. Just as the melody sets the tone in a symphony, here the spirit is the refrain at the heart of each melodic mix.

1
